The Class of 2015 happily dedicates this year's yearbook to the one and only...

Mrs. Burke, A.K.A Frau

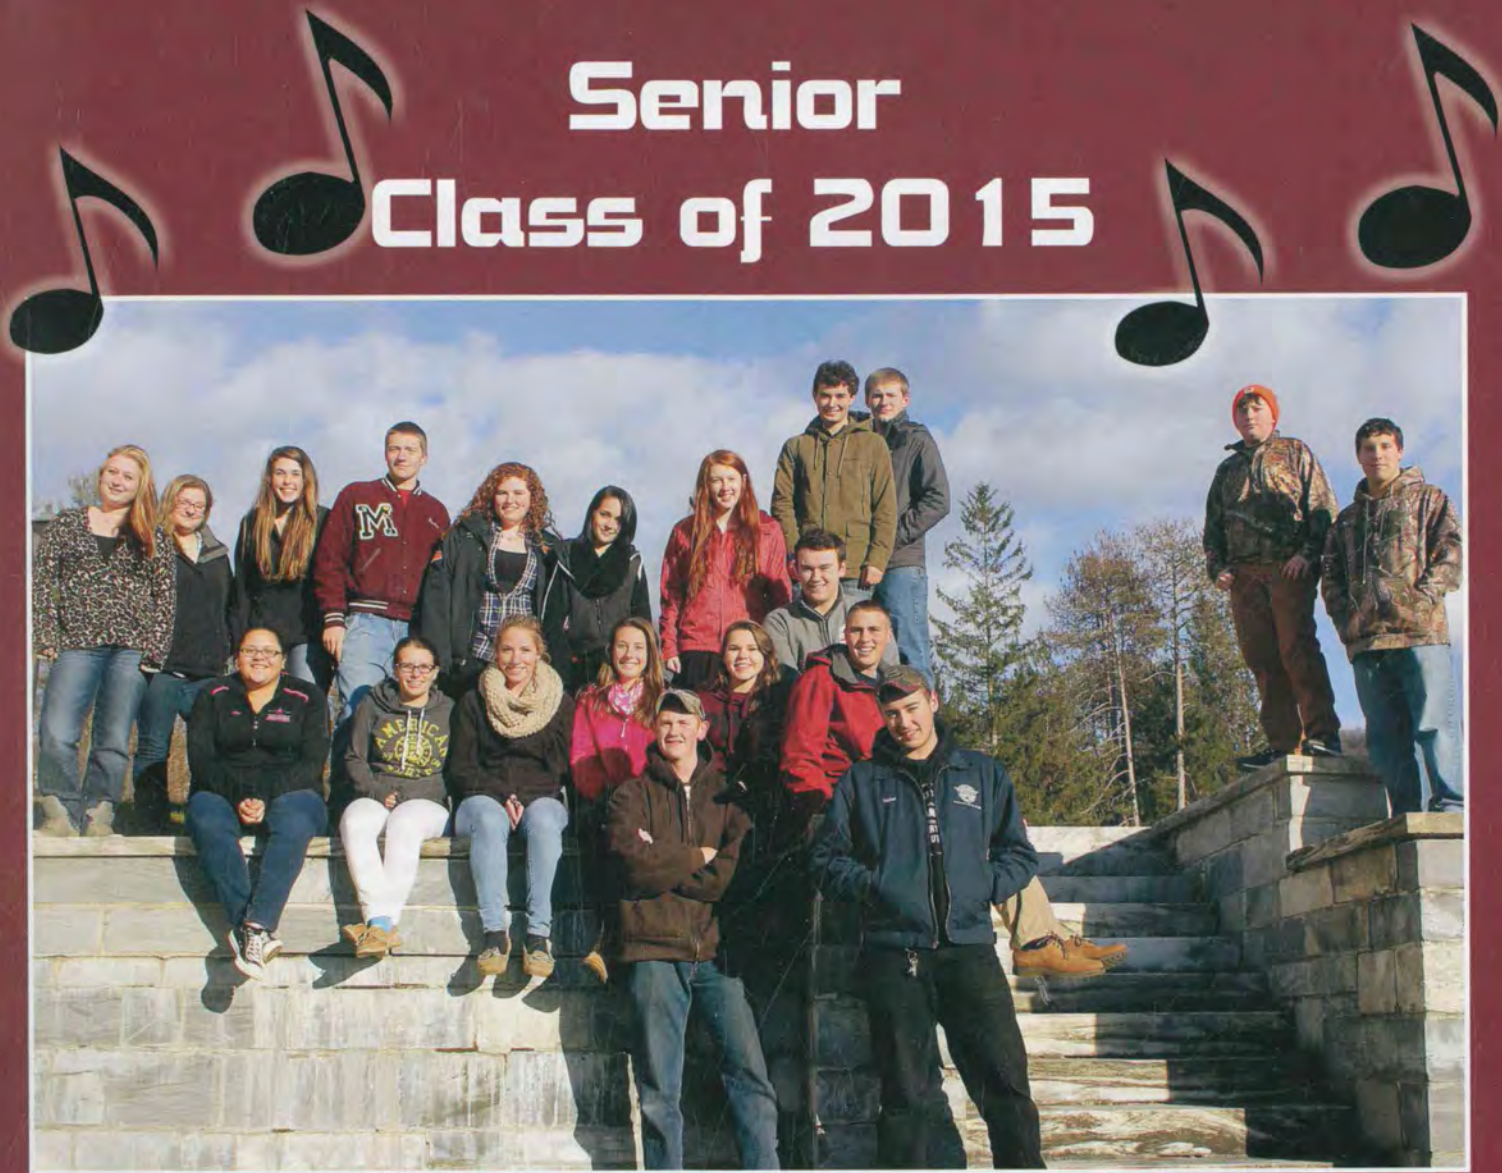

"It's too cold in here." Famous words spoken multiple times a day by Mrs. Burke, A.K.A Frau. Four years is a long time to spend with a class, but that's exactly what Frau has had to endure. Everything we know about English can be directly linked back to her.

We can remember countless times wanting to throw books, especially *Ethan Frome* and *The Good Earth*, out the window. American Literature would not be complete without a rant about 'A Pair of Silk Stockings.' Even throughout our misery, she was able to make the worst books enjoyable.

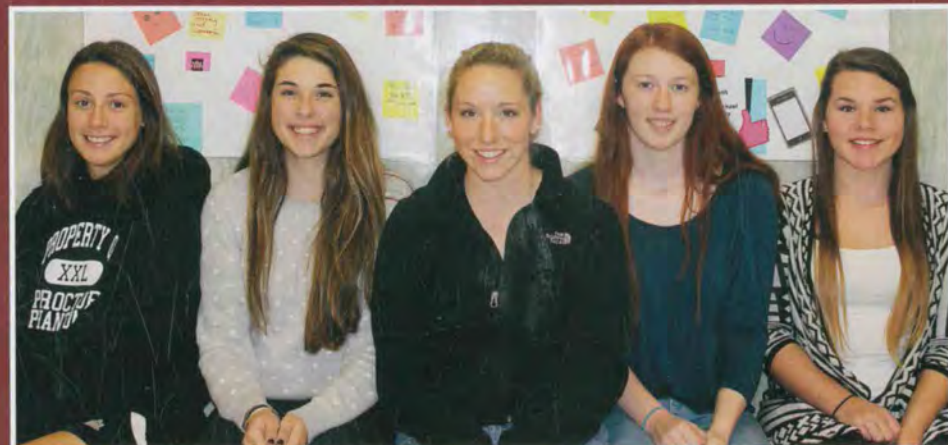

If there are two things Frau is not good at, it's science and math. Multiple times we have had to check whether $95+5$ actually equaled 90. This mistake was so common it earned its own name, 'Frau Math.' When in her room for a free block or a study hall, she was always willing to give her help, unless it was science or math.

No matter where we see her, the classroom, the parking lot, or even Walmart, Frau is always ready to talk. Whether it's about her favorite panda Bao Bao or our own lives, she always has something to say.

Ask anyone in our class and they will all tell you Frau is a wonderful person. The compassion she shows towards her students is displayed everyday. And so, thank you Frau, from the class of 2015, for always being there for us no matter what.

Proctor Rocks!

The Mighty, Mighty Phantoms!

TEAMWORK!!

GO!!

GO PHANTOMS!!

Sportsmanship!

Did you know that the senior athletes have competed in over ten state championships over their varsity careers?

Varsity Girls Soccer

Back row: Coach Scott French, Isabel Valerio, Maxine Tilden, Lucy George, Erin Flanders, Lexi Bride, Olivia Valerio, Gwyne Jackson, Meredith Parker, Courtney Currier, Erica May, Elisabeth Tate, Arielle Oechsle, Ali Lear, Sierra Thornton, Brittany Gates, Coach Butch Abdelnour.

Front row: Emma Shaw, Reilly Duggan, Mackenzie Hickey, Hannah Ashby, Maddie French, Megan Elrick, Morgan Anderson, Abby McKearin, Grace Tate.

The Varsity Lady Phantoms finished the season with an outstanding 11-3 record, coached by Butch Abdelnour and assisted by Scott French. Captains were Megan Elrick (S), Mackenzie Hickey (S), Hannah Ashby (S), Abby McKearin (J), and Morgan Anderson (J). "This year the ladies took back-to-back State Championships! They worked hard, were dedicated and displayed true teamwork, which resulted in these victories. I have never coached a group of young ladies so dedicated to the team and to each other. I have said it before... They are a group that when told to jump, they do not ask how high, they just reach for the stars every time. When I think back to the last two seasons we have spent together, I am amazed by luck as a coach to have been a part of their lives! I am truly saddened with my departure and will miss them dearly. I can only summarize our time together with these quotes, '2-a-days are the bomb!' 'Why can't we practice 7 days a week?' and 'You're right, Coach. I don't think we should date boys either.' These girls fought on through adversity and went on to succeed not only on the field... but off! They truly are what every coach hopes they can experience in their coaching careers, even with them referring to me as "Satan". They have truly helped to make life complete, and I will miss them all dearly!"

- Coach Butch Abdelnour

Varsity Boys Soccer

Back row: Shaun Blanchard, Nick Ojala, Derek Almond, Gannon McKearin, Tyler Goodhue, Joseph Parker, Logan Landon, Andre Greb, Coach Chad Wilson. Front row: Antonio Martinez, Braedon Fox, Reid Farley, Curtis Tomlinson, Cooper Pomeroy.

The Varsity Men finished the season with a 5-8-1 record, coached by Chad Wilson, and assisted by Darren Carter, John Ojala, and Jay Wilson. The team's captains were Reid Farley (S), Braedon Fox (J), and Curtis Tomlinson (J). "As my first year as a head coach, it was very enjoyable. I was blessed to have the opportunity to coach such a great group of young adults who consistently wanted to improve their play every day. For having a team of fourteen players, and one player getting injured before the season started, the season went quite well. The team had only one returning starter playing the same position he played in the 2013 season, and that was Goalkeeper Reid Farley. One highlight of the season was winning the Jug back with a 2-0 win over Black River. Tying against Woodstock, who were the 3rd seed in the Division II State Tournament, were undefeated in MVL "B" play, and were competing for the Division II State Championship, was also a large highlight of our season. Another memorable moment was defeating Springfield 2-1 at home for the first victory of the year, which was my first career win as a head coach. This year's senior class had a career record of 48-14-8, which included three Division IV State Championship appearances, 2011 and 2012 Division IV State Championships, and 2012 MVL "C" Champions."

- Coach Chad Wilson

Varsity Girls Basketball

Back Row: Isabel Valerio, Courtney Currier, Lexi Bride, Sierra Thornton, Morgan Anderson. Front Row: Megan Elrick, Mackenzie Hickey, Abigail McKearin, Olivia Valerio. Missing from photo: Emma Reichert.

The Lady Phantoms completed their regular season with a record of 14-5. Their theme this year was "TOUGH"; not just physically, but mentally and emotionally tough. The Lady Phantoms were not favored coming into the season as Three-Time Defending State Champions, having graduated a few seniors last year. However, their "TOUGH" theme and attitude carried along with them and locked them in the third seed going into playoffs. During the regular season, the Lady Phantoms faced some tough match-ups including Burr and Burton and Fair Haven, and came out on top 14 out of 19 times. The Three-Time Defending State Champions lost in the State Championship game to MSJ 35-29 at their home-away-from-home auditorium, Barre (Oz). The Lady Phantoms also put on a fundraiser benefitting cancer and raised over \$2400, while bringing awareness to colon cancer! This year's team was coached by Chris Hughes and Lisa Bora Hughes and assisted by Jacob Tanner. The team will greatly miss the graduating seniors Megan Elrick and Mackenzie Hickey.

Varsity Boys Basketball

Back Row: Coach Rick Eaton, Tyler Goodhue, Gannon McKearin, Logan Landon, Reid Farley, Kyle Miles, Nick Swane, Curtis Tomlinson, Coach Jake Eaton. Front Row: Andre Greb, Nick Ojala, Matthew Okerman, Derek Almond, Braedon Fox, Joey Parker.

The Phantoms completed their regular season with a record of 14-6 going into the playoffs. This year's team was coached by Jake and Rick Eaton. "It was a season to remember in the long and highly respected Proctor Phantom tradition. A very young team that many thought was a year away dedicated themselves to work on the "little things that make a big difference" on a daily basis that it takes to win a State Title. Perhaps most memorable is the way key performances were produced by so many different players at very necessary times on the Championship Stage. This team had amazing chemistry, was well balanced, very unselfish, and got tougher and tougher throughout the season. I'll always remember how enjoyable this season was and how well this team worked together to achieve the ultimate team goal! Great community support and unbelievable team focus and effort brought the 2015 State Basketball Div. IV Trophy back home to Proctor... #LockdownLifeStyle!"

Ms. Marcus!

Hey! My name is Ms. Marcus and I'm from Jericho, Vermont! I got into teaching because it's something I have always wanted to do! I love Proctor and my favorite subject in high school was science! (Duh!) If I had to be in a talent show, I would recite all twenty amino acids!

Ms. Brisson!

Hi! My name is Ms. Brisson and I'm from Albuquerque, New Mexico! I got into education because I wanted to be able to teach broadly. I love Proctor and I think the kids are really cool! In high school my favorite subject was band. I played the bassoon! If I had to be in a talent show, I would play the guitar and sing!

Ms. Fischer!

Hello! My name is Ms. Fischer and I'm from Czechoslovakia! I got into education because they did not have this position in my country! I love Proctor because it's small and the people are so nice! I didn't have a favorite subject in high school, but if I had to be in a talent show, my talent would be languages! I know six!

The climbs are worth different amounts of points depending on their difficulty. Our returning climbers worked on intermediate and expert climbs by the end of the season.

Boys State & Girls State

*Missing from photo: Reid Farley

Each Summer, the American Legion sponsors Boys State and the American Legion Auxiliary sponsors Girls State. Delegates are selected based upon scholarship, leadership, service, and interest in government. Boys State took place at Lyndon State College and Girls State took place at Vermont Technical College. While there, students participated in a week-long mock government and connected with other students from around the state.

Chorus

Chorus practices a wide variety of musical pieces. They have performed at multiple concerts, including performing the Star Spangled Banner at the Spartan Arena for a Castleton hockey game. The chorus group is advised by Mrs. Andriscin.

Students must demonstrate excellence in scholarship, leadership, service, and character. Members of the NHS complete both group and individual service projects throughout the year.

Rock Band

The Rock Band plays a variety of rock music from different eras. They perform concerts for the general public, at area schools, and at various venues. This year the band played at the cancer fundraiser "Making Strides Against Breast Cancer" walk-a-thon at Castleton College.

Geo Bee is a contest designed to encourage student interest in the subject. All 7th and 8th grade Social Studies classes participate in the preliminary rounds. The winner travels to Middlebury College to represent PHS at the Geo Bee State Competition.

Student Council

The Student Council is our connection between the school administration and the entire student body. This group plans activities that benefit our school and local community. All grades elect two representatives to vote and make decisions on behalf of their classes.

Clubs and Activities

The Yearbook Committee works during and after school to create the PHS yearbook. This year the yearbook committee was comprised of student volunteers.

The Yearbook Committee is advised by Audrey Tilden.

Ukulele Chorus

Students learn to master the basics of the Ukulele while singing at the same time. They perform various concerts throughout the year. This class enjoys taking popular songs and applying them to the ukulele. They have nicknamed themselves the "Pukes" (combining the "P" from Proctor with part of Ukulele).

National Honors Society

Membership in the Redfield Proctor Chapter of the National Honor Society is the highest academic honor the faculty can bestow upon students in grades 11 and 12. Students must demonstrate excellence in scholarship, leadership, service, and character. Members complete service projects during the year such as the penny war and blood drive.

Our beautiful Erika,
We are all so proud of
you. Keep reaching for
the stars. Love Mom,
Dad, Patrick + Benjamin

Jillian,

We were all so blessed the day we welcomed you
into our family. You made your entrance into the
world on your terms, feet first, and have been
running ever since! We have always been amazed at
your determination, courage, compassion, strength,
beauty, and individuality. There is little that has
stood in your way to stop you from achieving
whatever goal you set for yourself. We have never
doubted that you would succeed and find your way in
this crazy, sometimes mixed up place we call life.
You have learned many life lessons at such a young
age. Never take anything for granted and count your
blessings both big and small. As we are standing at
the threshold of yet another milestone in your life
remember that we love you beyond measure and will
always be right beside you in heart and spirit no
matter where life takes you. Always and forever, to
the moon and back, we "love you no matter..."
Mom and Dad

Lukas,
You have been
my best friend
for my entire
life. You are the
best brother I
could ever ask
for. I'm going to
miss you. Have
fun at college.
Love,
Emma

Jillian,
 I have known you since you were a little girl and I've watched you blossom into the amazing young woman you are today. I hope your dreams take you to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known. But remember, life moves pretty fast. If you don't stop to look around once in a while you could miss it. Congratulations on all your accomplishments. I'm so proud of you!
 Love always,
 John

Sam, your PHS journey is complete!
 I can't wait to see what awesome things life has in store for you.
 Whatever they may be, I hope you find happiness in them.
 Love, Mom

Sam Tilden

Ditto what your mother said.
 Now get out of my house.
 Love, Dad

Congrats!
 You are a strong, hard headed, independent woman, who can conquer any obstacle life throws at you. I know this year hasn't been easy, but you graduating shows exactly how strong you really are! You can do anything you set your mind to! Take every experience and make it into your own. Chase your dreams and don't let anyone or anything stand in your way. Stay cool bro, oh and I love you (Mom made me say it)
 xxoo, Kelsey

Mackenzie,

Where have the years gone? You have brought us so many joys and made us so proud. Congrats on all your Academic and Athletic accomplishments. Your future looks so bright! Keep working hard!

We love you lots!
 Mom, Dad, Erica, and Brian

Here you are today, no longer a little guy, holding my hand extra tight, going off to preschool, but a young man set forth to take on the world. I knew then as I know now that you encompass the talents to make great things happen. You have made us happier than humanly possible, prouder than could ever be anticipated, and beyond blessed. Always stay true to yourself, look out for others, and be your best reflection. We love you always- Mom, Dad, Emma, Tatum, and even the pets: Paisley, Funnegan, and Penelope

Dearest Erika,
They say moms are supposed to show their kids how special and wonderful the world can be. Well, Lucy girl, lol, I guess the roles were reversed for us.

Because what you have done your whole life for me

is show me how bright and special life is with you in it. I will be lost without you while you are in college.
I love you!
Mom

Dearest Morgan,

We are so very proud of the woman you've become. This is our wish for you..."Comfort on difficult days, smiles when sadness intrudes, rainbows to follow the clouds, laughter to kiss your lips, sunsets to warm your heart, hugs when spirits sag, beauty for your eyes to see, friendships to brighten your being, faith so that you can believe, confidence for when you doubt, courage to know yourself, patience to accept the truth, love to complete your life."

-Ralph Waldo Emerson

Jillian Reneé,
You are our favorite youngest granddaughter. We know you will be a shining star in all your future plans. Keep smiling that beautiful smile! We will hold you close in our hearts as you reach this milestone in life.

**Thanks for being
the best big
brother I could
ask for. Best of
luck, Sammy.
Love, the Favorite
Child.**

My Dearest Jellybean,
You, my beautiful sister, have grown to be a kind and loving young woman. I am honored to call you my little sister. You exhibit a wisdom and a lovingness that is well beyond your years. I always see you willing to help those around you, which is an admirable quality that many people strive for, but few truly possess. I was lucky that there were so many years between us, as I had the unique opportunity of playing multiple roles in your life. We have built a beautiful friendship from this sisterhood and I look forward to many more laughs with you. As you graduate, I want you to remember that the life that lies ahead of you will be everything you make it! The world is lucky to have you and all the strengths you possess will take you anywhere you want to go. I have no doubt that you will do great things. Just remember as you move forward, when things seem too hard to bear, that I am always here...always. I love you to Pluto and back.

Megan,
We are so very proud of all you've done and of the person you have chosen to become.
We love you
always,
Granny & Grandpa

Melissa,

We love you very much and are very proud of you. Shine like the star you are. Smile with confidence, you made it!

Love,

The time they spent behind the lens paled in comparison to the time spent in front of the computer!

Being a part of the yearbook team and working along side these students this year was a privilege for me. They supported and encouraged each other, worked diligently and met deadlines that at times, seemed insurmountable. They exemplified the phrase "Anything is possible!"
